External Links Policy

Adopted 8 April 2015

Many pages on the Wadebridge Town Council web site (www.wadebridge-tc.gov.uk) include links to other sites. These links provide users with further sources of relevant information and advice.

Wadebridge Town Council does not maintain the external sites accessed through these links, and therefore does not assume any responsibility for their content. The inclusion of a link to a third-party web site on a Wadebridge Town Council web page should not be considered an endorsement or recommendation. We do not accept liability for action you may take as a result of relying on information or advice obtained from such sites.

If you have any queries about information accessed through links, you are advised to check directly with the organisation concerned.

All external links on the Wadebridge Town Council site are reviewed regularly to check their content and quality. However, if you find a broken link or it links to material you feel is unsuitable please contact us and let us know.

We do not enter into reciprocal link agreements. We will try to respond to link requests but, due to the number that we receive, we cannot guarantee this, especially where the requested link does not meet the criteria below. In relation to requests for links, the Council's decision will be final.

- Up to date, authoritative and free from 'under construction' messages.
- Free from offensive material, political or religious bias.
- Free to access.
- A government organisation, public organisation, charity or other publicly known and trusted organisation.
- Transparent with respect to its ownership, funding and purposes.
- Non-commercial (unless supporting the Council to meet its aims and priorities i.e. sponsorship).
